

Self-Portrait

S U H O

The 1st mini album

SELF-PORTRAIT TRACK#01

O₂

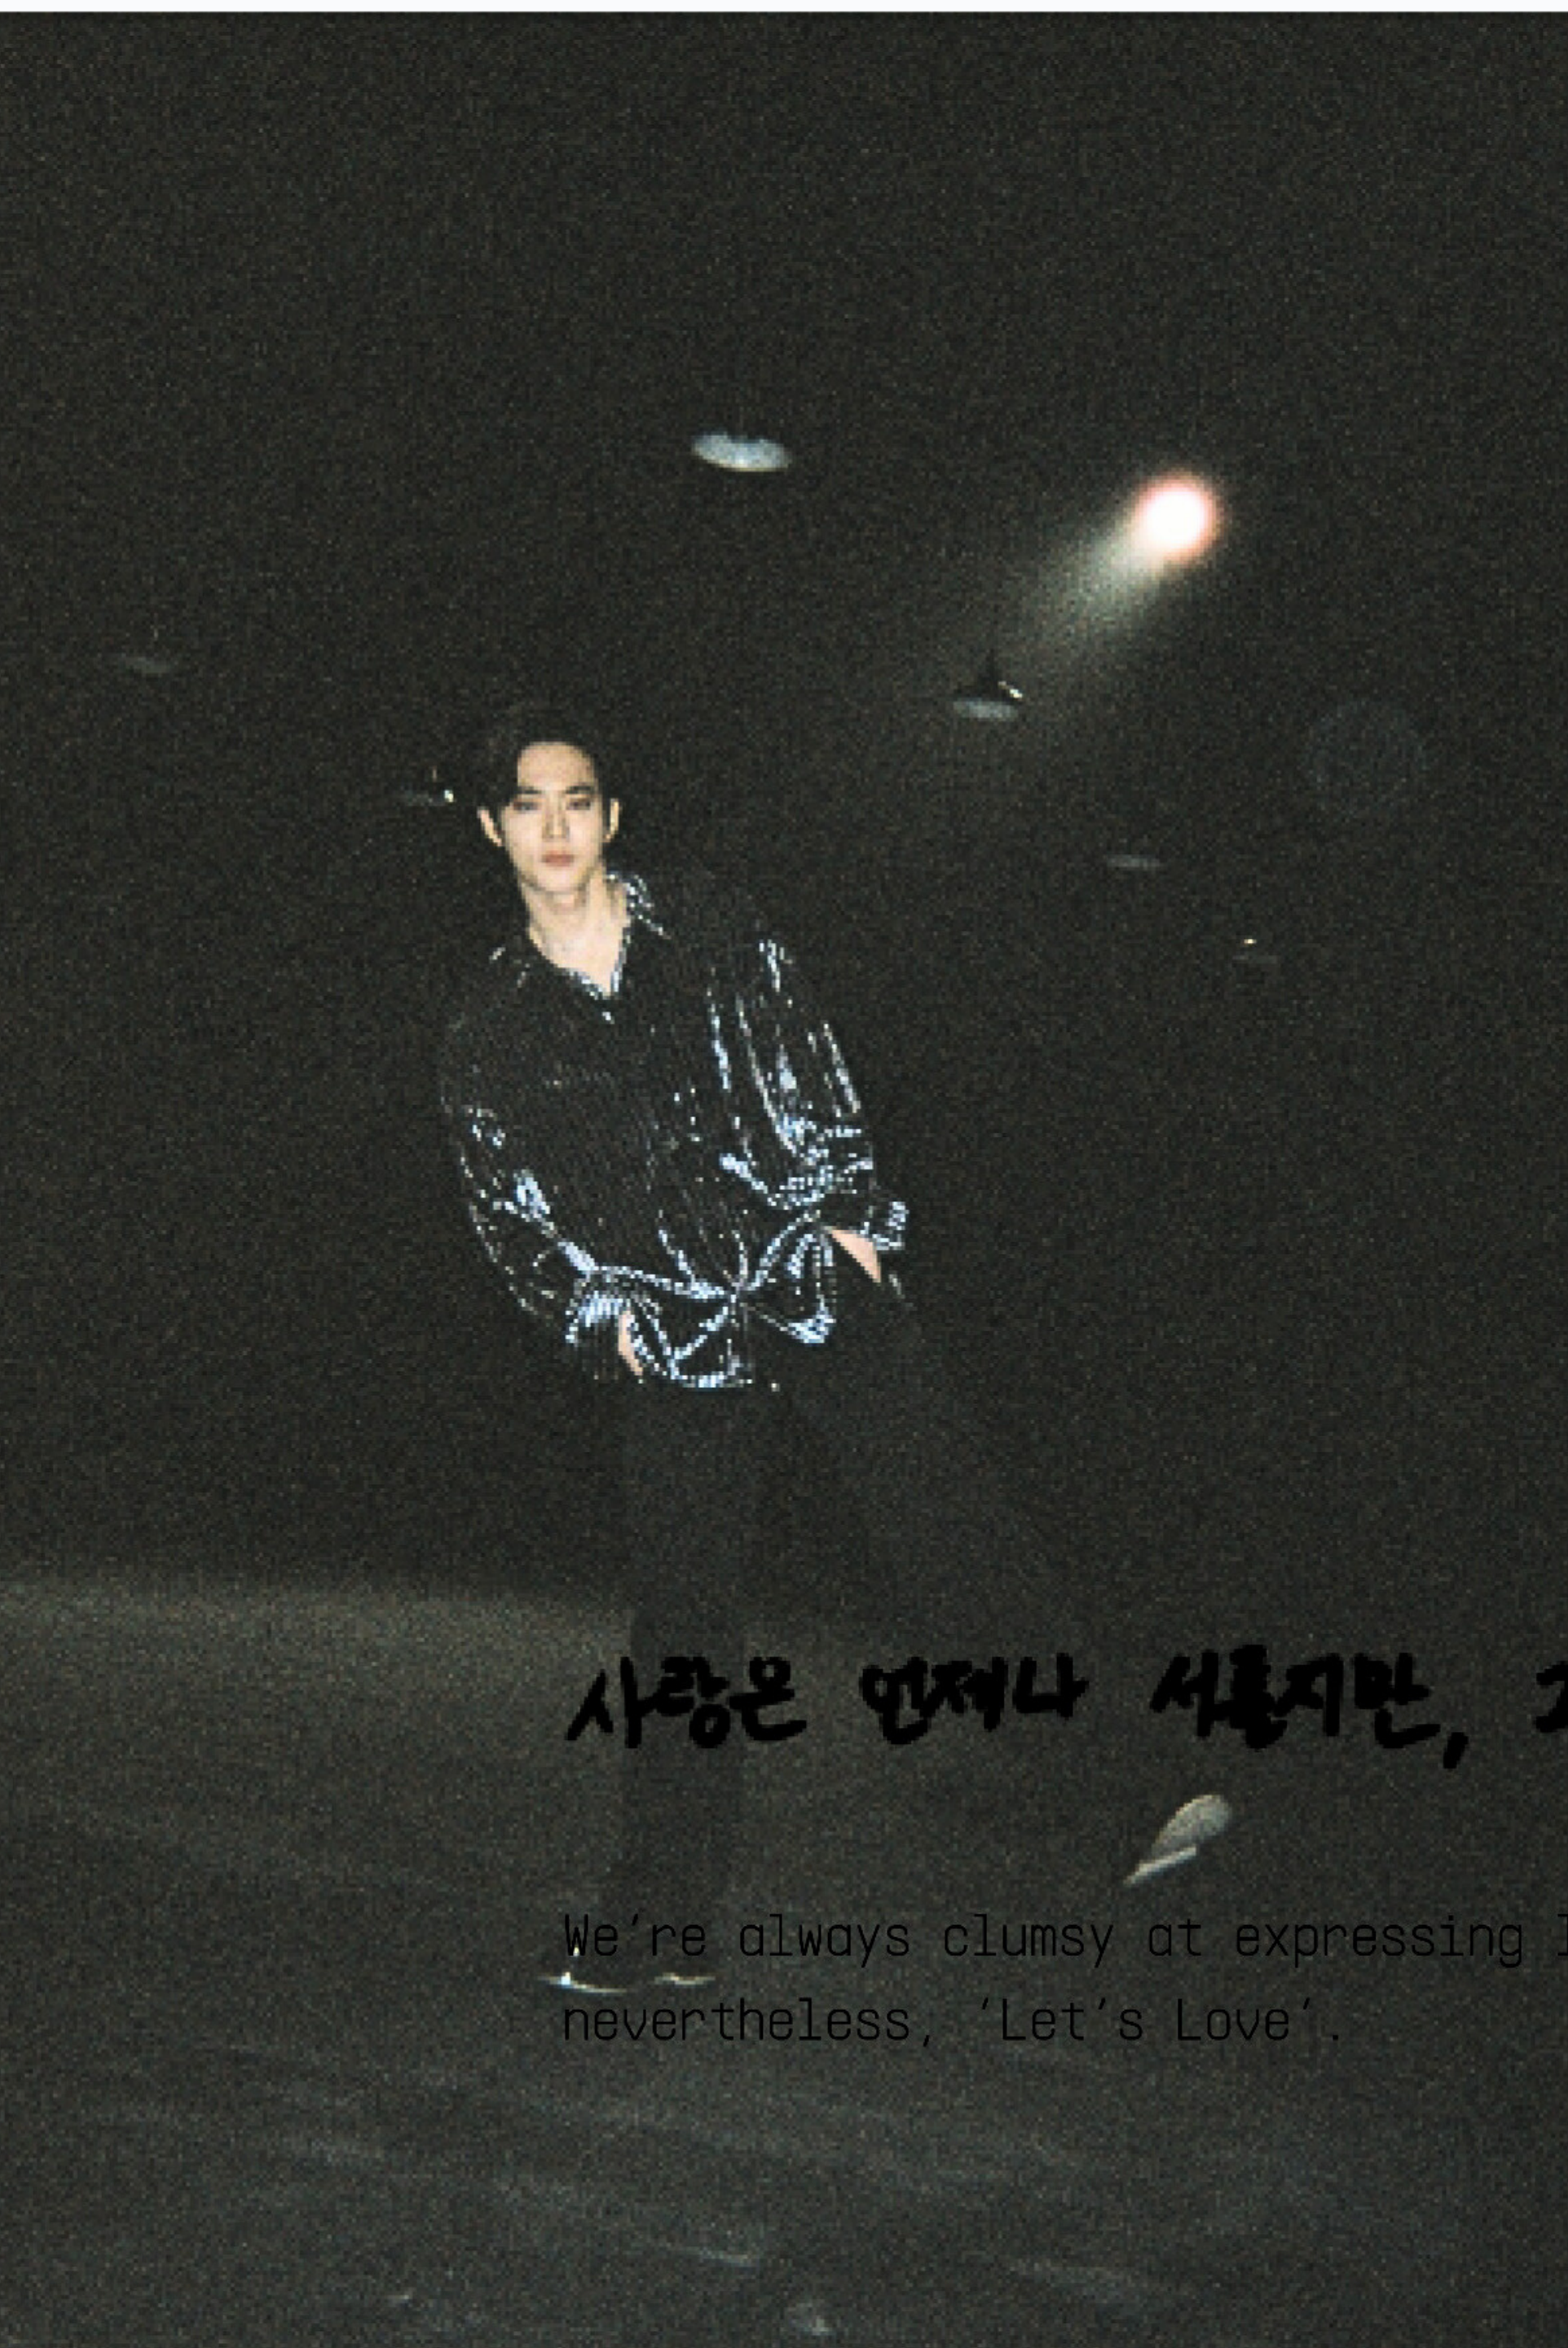

텅빈 마음을 담은 알파벳 O가 2개 붙이면, 산소 O₂가 되듯이

Just like how the alphabet 'O' looks like an empty heart.
but when two 'O's come together it becomes oxygen [O₂].

SELF-PORTRAIT

TRACK#02

사랑, 하자
Let's Love

사랑은 언제나 서툴지만, 그럼에도 '사랑하자'

We're always clumsy at expressing love, yet,
nevertheless, 'Let's Love'.

SELF-PORTRAIT TRACK#03

Made In You

당신으로 인해 만들어졌고, 당신으로 부터 시작 되었다

I was made by you, and I began from you.

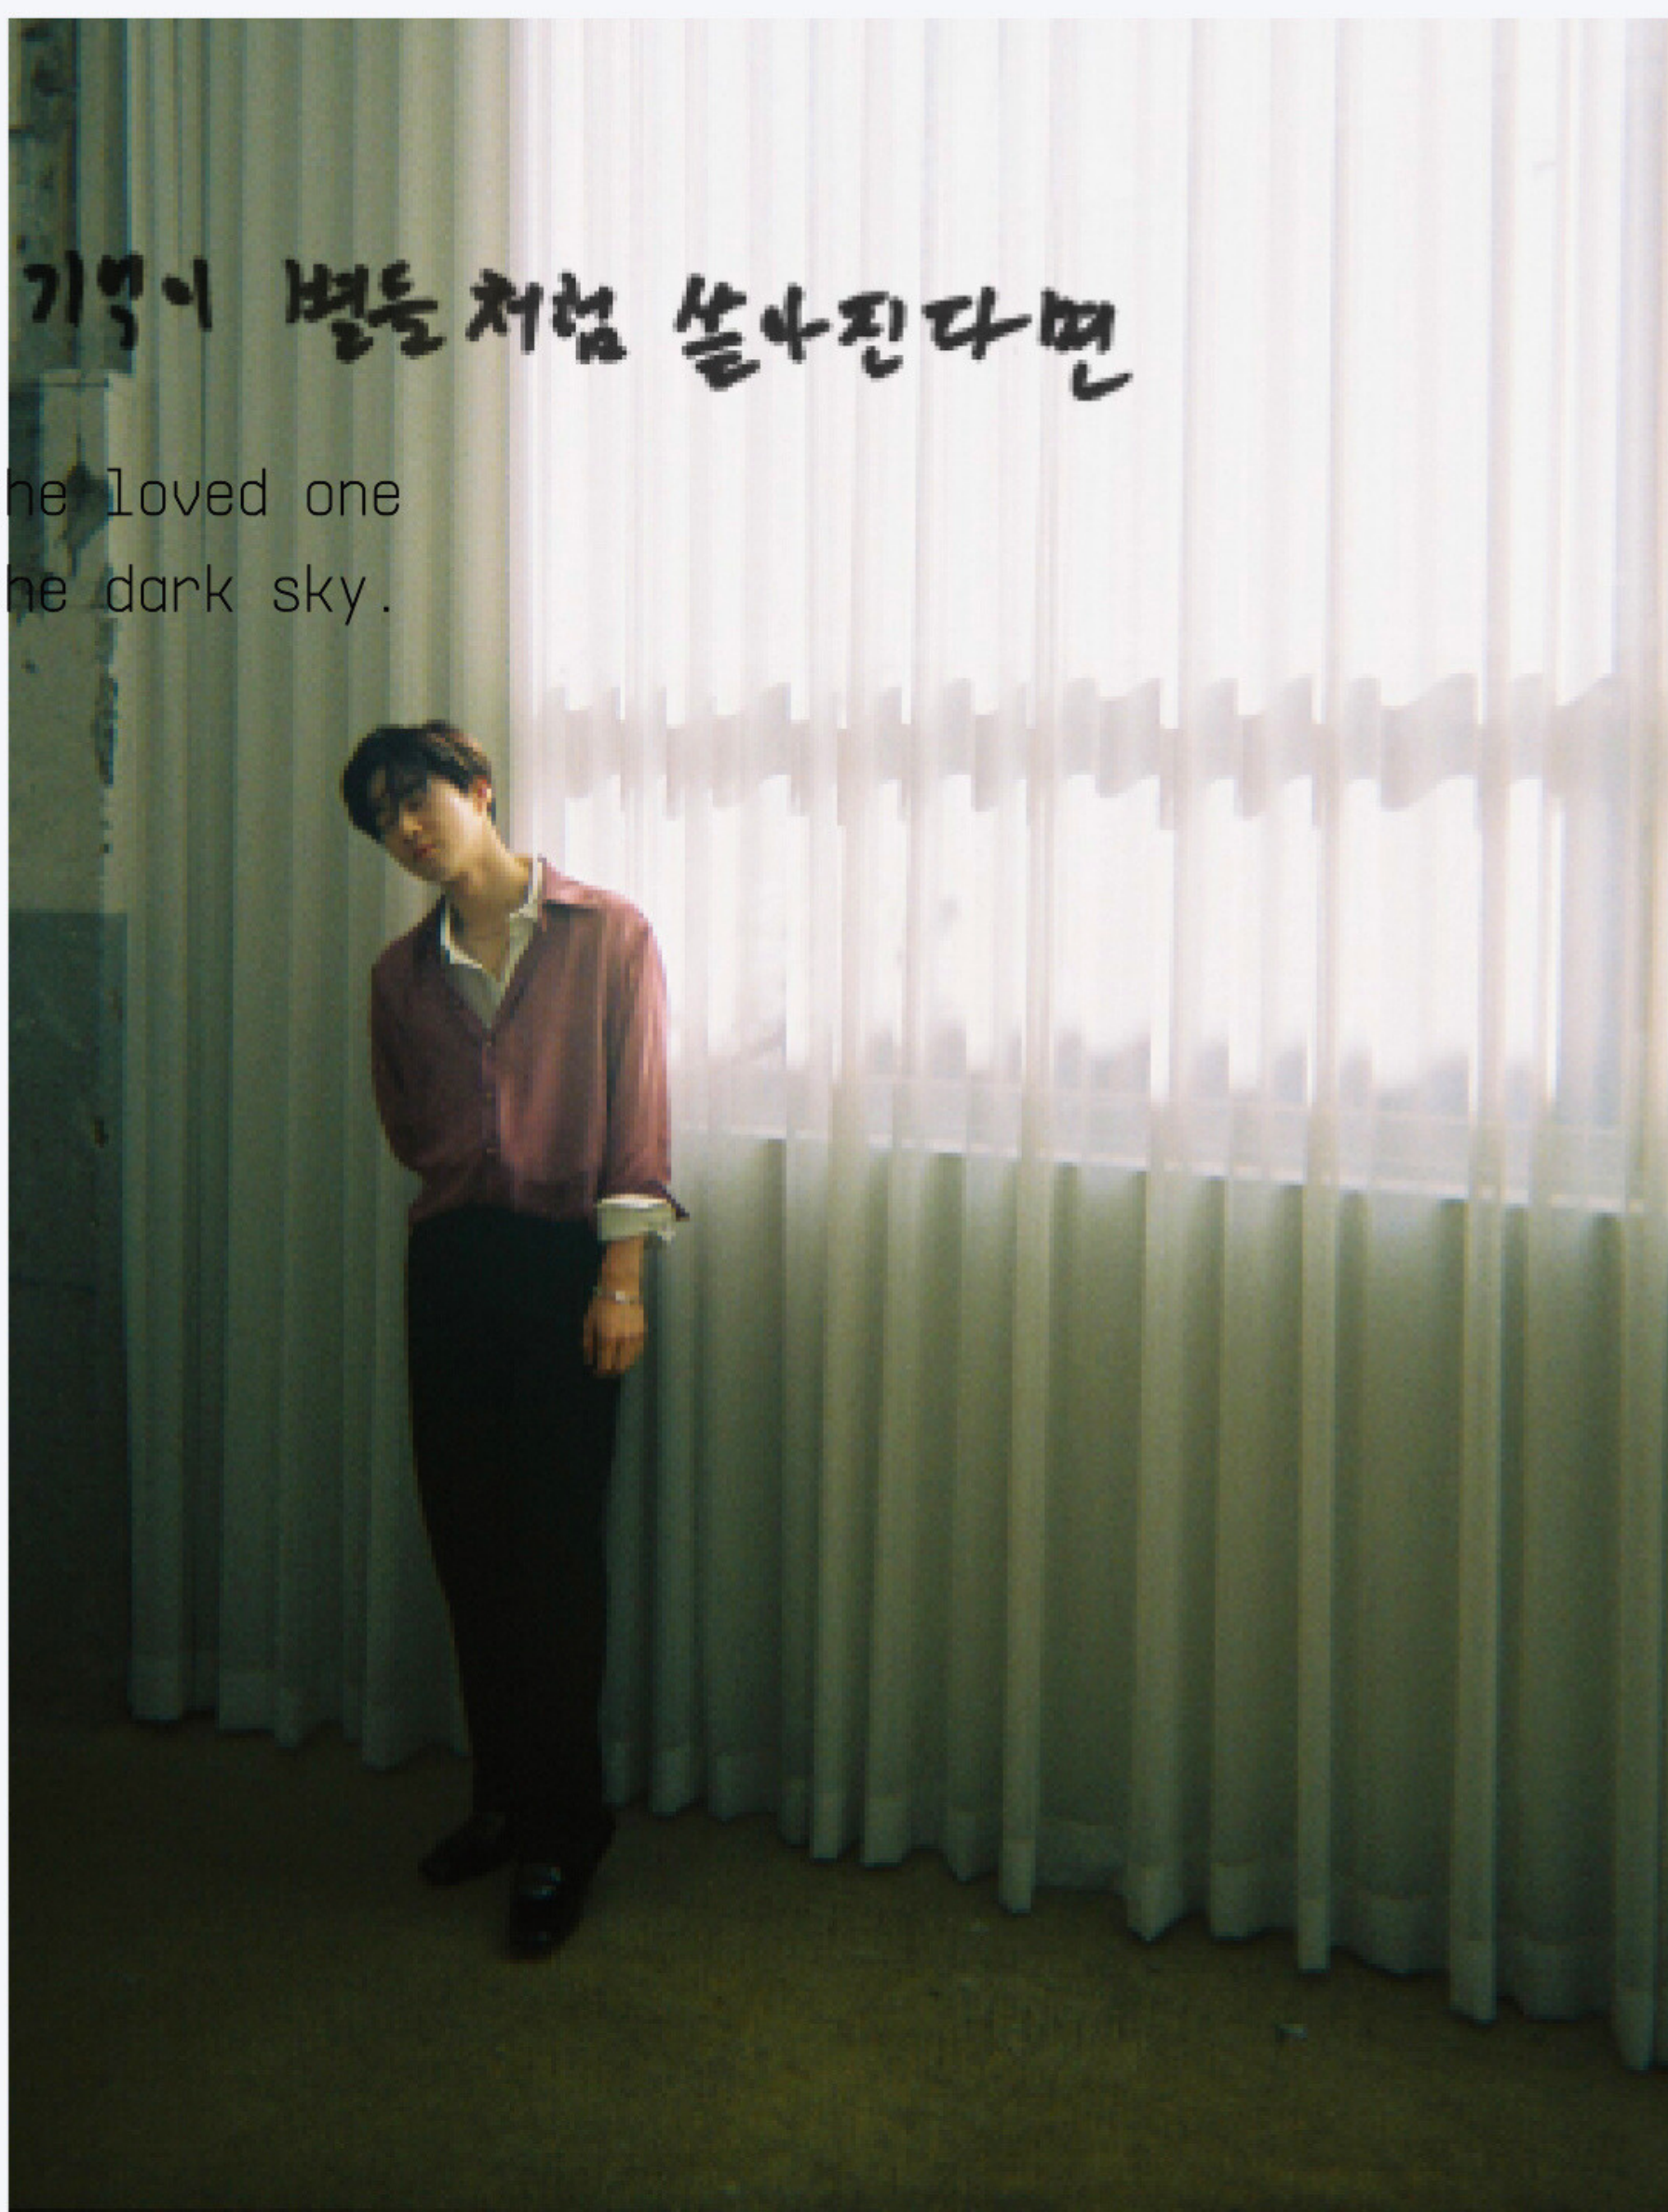

SELF-PORTRAIT TRACK#04

암막 커튼
Starry Night

어두운 밤하늘에,

사랑하는 사람의 기억이 별들처럼 쏟아진다면

If the memories of the loved one
fall like stars in the dark sky.

SELF-PORTRAIT TRACK#05

자화상

Self-Portrait

자화상을 덧칠해, 내 안에 남겨진 그 사람의 흔적이 희미해 지지 않도록

Paint over the self-portrait
to not let your traces within me fade away.

이제는 내가 먼저 위로를 건네고, 힘이 되어드릴 차례

It's my turn to offer comfort and help.

SELF-PORTRAIT TRACK#06

너의 차례
For You Now (Feat. Younha)
